Subject: Congratulations on Your Election to the NAMI Orange County Board of Directors

Dear Tonmoy,

I want to take this opportunity to further my congratulations and appreciation to you as you join our National Alliance on Mental Illness, Orange County (NAMI Orange County) Board of Directors. You join a diverse group of thirteen board members who share a common passion for helping families and their loved ones in their mental health journeys.

I appreciate your psychiatric medical training and experience that you bring to our board and your leadership in supporting the treatment of persons with mental illness, dual diagnosis, substance abuse and eating disorders. I and your fellow board members look forward to your engaged participation on the NAMI Orange County Board and in many of the programs and activities that occur throughout the year.

I count on every board member to bring their wisdom, experience and commitment to their support of NAMI Orange County's best interests. I invite your deeper understanding and involvement with our signature education programs, development activities and WarmLine call centers. I ask for your focused efforts to support fund raising and help sustain a vibrant, thriving NAMI Orange County organization.

As we welcome you to the NAMI Orange County Board of Directors, we look forward to sharing and linking closely together as we lead and support the NAMI Orange County mission and standing in the mental health community.
